The Two Rivers South of Community Development District has put together this document to aid the residents in identifying resources and information to assist in preparing for emergencies. The information contained herein is not purported to be exhaustive or up-to-date and is only intended for general educational and information purposes and to increase overall safety awareness. It is not intended to be legal, medical, or other expert advice or services, and should not be used in place of consultation with appropriate professionals. The District does not provide emergency assistance or news updates. The District encourages residents to contact the Hillsborough County department of Emergency Management at (813) 272-6900 for up-to-date information on emergency planning, additional emergency services contact information, and emergency news.

In no event shall the District, its officers and employees be liable for any liability, loss, injury or risk which is incurred or suffered as a direct or indirect result of the use of any of the material, advice, guidance, whether based on warranty, contract, tort, or any other legal theory and whether or not the District, its officers or employees is advised of the possibility of such damages.

I. INTRODUCTION

This Emergency Preparedness Plan serves as a guideline for the Two Rivers South Community Development District ("CDD"). The plan is developed under the direction of the Two Rivers South CDD as a service to the Two Rivers South community. Responsibilities of the CDD include providing and maintaining public facilities and infrastructure (i.e. roadways, landscaping, street lighting, sewer and wastewater management) whereas the HOA is effective in the management of private property (such as enforcement of deed restrictions).

A. Provide basic information concerning the residential community to include:

1. Name of the residential community, address, telephone number, and email address for responsible person or entity, as applicable:

Two Rivers South CDD
2005 Pan Am Circle
Suite 300
Tampa, FL 33607
Phone: (813) 608-8242
Office: (813) 873-7300
Jayna Cooper, District Manager
Jayna.Cooper@Inframark.com

2. The number and type of units in the residential community:

306 Single-family units

B. Establish the frequency with which the emergency preparedness plan information will be updated:

The Emergency Preparedness Plan information shall be updated annually and the affected residents will be informed of all relevant information on an annual basis.

II. HAZARD ANALYSIS

A. This section of the plan should describe the hazards that the residential community is vulnerable to, such as hurricanes, tornadoes, flooding, fires, and hazardous material incidents from fixed facilities or transportation accidents.

Two Rivers South, like all of west central Florida, is vulnerable to the effects of, but not limited to, hurricanes, tropical storms, storm surges, heavy winds, torrential rains which may result in hazards, i.e. flooding and flying debris. This area is also vulnerable to tornadoes, wildfires, and hazardous materials incidents.

- 1. Identification of the potential storm surge flooding risk from a tropical storm or hurricane occurrence (as identified by the National Weather Service storm surge model and available from Hillsborough County Emergency Management):**

There is potential storm surge flooding risk from a tropical storm or hurricane. The community was designed to be elevated above the 100 year base flood elevation, established at the time that the community was designed, and the community stormwater ponds were designed to contain the 100 year/24 hour storm event.

- 2. Proximity of the residential community to a railroad or major transportation artery (to identify possible hazardous material incidents). Contact Hillsborough County Emergency Management to determine if site is located in a vulnerability zone of an Extremely Hazardous Substance.**

The Two Rivers South residential community is located on 1900 Lanier Rd, Zephyrhills. Should a wreck occur on either of these corridors involving a vehicle transporting chemical/hazardous materials it could possibly affect the Two Rivers South community.

III. CONCEPTS OF OPERATIONS

A. Residential Preparedness Programs

Identify ways people in the community can pre-plan to help one another during an emergency.

- 1. Identify plans and procedures to shelter residents:**

Residents are advised to evacuate the area if so advised by the Board of County Commissioners through Hillsborough County Emergency Management.

- 2. Protection of private property:**

It shall be the responsibility of each owner to secure or arrange to have secured their personal property to protect it from hurricane or any storm damage.

The main concern of the CDD will be to prevent damage to the common areas, buildings, and improvements from flying objects stored outside of a dwelling that are not properly secured.

- 3. Hillsborough County Office of Emergency Management has prepared an application for the Special Needs assistance. Application is provided for residents to complete and file. See Exhibit A.**

B. Utility System Operation and Maintenance during Emergency Conditions

Water transmission system and wastewater collection system services for Two Rivers South CDD are provided by Hillsborough County Utilities.

Hillsborough County Utilities
Customer Information & Services
(813) 272-5977 (8:00 – 5:00)

Sheriff:
2130 N Falkenburg Rd,
Tampa, Florida 33619
Phone: (813) 247-8555

IV. HURRICANE EVACUATION AND SHELTER INFORMATION

This section identifies the procedures for increasing the residents' awareness of local hurricane evacuation and shelter information.

A. The residential hurricane evacuation and shelter information of the plan must address the following items:

1. Evacuation Routes – ALSO SEE EXHIBITS

- a. Evacuate the area to I-75:
Head northwest on Lanier Rd toward Ackley Trce
Turn left onto Childers Wy
Turn right onto FL-56
Keep right to stay on FL-56
Keep right to continue on FL-56 W
Slight right to merge onto I-75 N.
- b. Evacuate if I-75 is congested:
- c. Evacuate the area to the Airport:

Head northwest on Lanier Rd toward Ackley Trce
Turn left onto Childers Wy
Turn right onto FL-56
Turn left onto Morris Bridge Rd
Turn left to merge onto I-75 S toward Naples Take the exit toward Tampa Airport.
Merge onto I-75 S
Use the right 2 lanes to take exit 261 to merge onto I-4 W toward Tampa
Use the left 3 lanes to merge onto I-275 S toward St Petersburg
Use the right lane to take exit 39 to merge onto FL-60 W/State Rd 60 W toward Clearwater/Tampa Airport
Use the right lane to take the FL-60 W exit toward County Rd 576/Tampa Int'l airport/Clearwater
Take the ramp toward Economy Parking/Cell Phone Waiting Lot/Post Office.
Take the ramp toward Post Office/Service Road.
Ramp becomes Bessie Coleman Boulevard.
End at [4868-4873] Tampa International Airport, Tampa, Florida 33607.
- a. Zephyrhills High School:
6335 12th St,
Zephyrhills, FL 33542
